Dear Danny,

I wanted to take a minute to drop a line to let you know what a pleasure it was to meet you during my recent trip to Jupiter.

You are to be congratulated on the wonderful work you are doing with your students. It was encouraging to see so many young people involved in a sport that instills discipline, respect, and pride while so many others are lost to the evils of the time.

Good luck with your programs and please continue to provide this most excellent training to your many students. It is surely needed in these complex times.

Warmest Personal Regards,

Alfie Wise
